I'H MORTON. VALUABLE INON PROPERTY AND PARM FORSALE THE subscriber would call the attention of those who wish to embark in the Iron business, also those who wish to own a handsome and furtile farm, to the following properts which he offers for safe 1st. Jackson Furnace and lands, say about 2500 agree.—

This furnice is on Beaver Dam Creek, Dickson county, Tennessee, and the stack is the largest in the State, being 47 feet high. The turnace, except the stack, is now being rebuilt, and will be really to purin blust by the list of November. The route of the North Western Railroad, as surveyed, passes itamediafely by the Farnace. The ore is unsurpassed, and the timber and ground admirably adapted Also, Belleview Furnace, and about 2600 neres of land, including the Dickson ore bank. This Furnace is on Jones Creek, about three miles South of Charlotte. There is a good water power, and also good farming lands attached to this property.

this property.

Also, the Valley Forgeon Jones. Creek, and about 37,00 acres of land. The tall is 28 feet, and the head of water inmense. There are some very fine farming lands in this tract, and it is altogether a most desirable location.

Also, the Mill Greek property and bock River ore bank in Hickman county, Tennessee. The Mill Greek sites, of which there are live or six, present the best water powers for the size of the stream that can be fainful in any country.

The Duck River was hank in the heaviest density of ore in The Duck River are bank is the heaviest deposite of ore in the State, and the are can be procured with less labor than at any bank in the country. It is within half a mile of back River, and the lands around are covered with the

best coaling timber.
Also, the Lower Tunnel, at the Narrows of Harpeth, in Also, the Lower Tunnel, at the Narrows of Harpeth, in avidson county, Tennessee, with ten acres of land for buildings and machinery. It is unnecessary to speak of the water power at the Narrows of Harpeth. It is known to every one, and insenty-five rears of experience enables the subscriberto speak with certainty of its great benefits and usefulness. It is indeed, only to be seen to be appreciated. Lastly, my Walliamson Farm, on which I now reside, and which for beauty and fertility is second to none. The house is large and airy, and the out-buildings of the best description. It is intersected by the Southern Railroad, and also is large and airs; and the cart-buildings of the best descrip-tion. It is interpreted by the Southern Railroad, and also by the Nashville and Franklin Tocupike. It is It miles from Nashville and 7 from Franklin. It is a "meadow farm," watered by Little Harpsib, and the best evidence of its quality is the hay produced on it this year, which all who have seen it, pronounce it the best they have ever seen. It is altogether one of the most desirable farms for beauty and profit that is in the South-west. It escalains about 560 acres.

The above property is offered for sale, not for the purpose of profit or speculation, but simply from the fac that the subscriber's health, makes it necessary to relieve himself of the care, necessarily incident to so much real property le-cated at different points, and renders him unable to give it cated at different points, and renders
that personal attention which it requires.

Any one wishing to purchase any of the above property
will please call on the obscriber at his residence or address him at Good Spring P. O., Williamson county, Termust lead to the obscriber of the property
M. HELL. Deesee. sug-1-4m M. Hell.L. Cincinnati Enquiser will publish the above until the 1st of January, 1854, and said bill technicollice.

NEGROES FOR SALE.—The subscriber has sev eral families of Negroes that he will sell at private safe to persons residents in this State, and who intend to keep them therein. Residence on the Nasl ville and Frank. lin Tarnpike, 1) miles from Nashville, M. BELL,

THE inventor of this preparation was for three years s
Completely prestrated from Preparation was for three years s
The completely prestrated from Preparation was for three years
at loose that he was frequently for weeks at a time unable to
raise timeself from his bed. He sought aid from physicians
at loose and in Entrope, but in vain, his cone was pronounced
horseless by thousands, and it was by accident thin be succeeded in coving himself. Since he has been practicing med-

ceeded in carring himself. Since he has been practicing med-time, his success in such cases has been unrivalled. He has been aware of the incrediblity of the public, and come-quently said nothing through the press of his own cave, until the character of the medicine was fully established by its success, as shown by the certificates which have need

advertised.

I subject the certificate of Prof. M. Garanter, of Memphis, Tetu, with whom I often advised during the time of my suffering. Maureus, Tenn., April 17, 1852. Manueus, Term. April 17, 1352.

I hereby certify that I have been acquested with Dr. J.

N. Biedsce and some years ago he was reduced I set ave
lower than I have ever seen and one that afterwards recovered, with what I supposed to be Dyspensh and Liver affection,
and after trying the prescriptions of many Physicians in this
as well as other countries, without relief, he finally succeeded
with a preparation of his own in being resigned to see

with a preparation of his own in being restored to good health.

M. CABBLET, M. D. LENGTH B Physicians are requested to try this preparation. We feel satisfied it will sestain the character we give to it in this

publication.

HENTSVILLE, January 12, 1852.

Dr. Brenson: —I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels your Alterative Compound, as a very seperior medicine. My son, agod 15 years, but been under medical treatment about five years for diseases and diarrhes—when having almost despained of his recovery, I concluded to ter your Alterative, two bottless of which, I believe, entirely cared him.

MICAJAH CAYCE.

Du. Blenson - Some time has chapsed since I gave a cer tificate that my wife had been greatly benedited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stemuch from dyspepsia. I had tried or several whom I thought to be the best physicians in the place and a great many differen-medicines, with momentum relief. Being persuaded to try year alterative compound, I did so and I am happy to say that it has entirely cured her; end I would conscientionally recommend it to all persons suffering from diseases of the N. B. ROBERTSON.

Hunesvalle, Sept. 29, 1951. Dr. Bernson.—Having seen the publication of your Alter-affire Compound, I think it my duty is say to the public, that I had been for yours subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is gi ven by physicians, and never found any timing that would cer-lately relieve stage will I tried the above medicine, which marelieved me in every attack in less than an hour. WM. II, LLOYD,

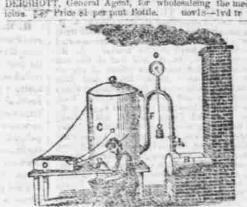

Gues County, Term., Dec. 38, 1851.

Du. Burness :-- I feel that I should fall short of my duty to you and to those who are utilisted, were I not to further recommend your Alterntive Compound. It has entirely re-lieved me, so that I have not had cause to take anything in two months. I can est anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suite from dyspensia again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD.

your Compound; but I must say, that for years I suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I commenced taking your compound about turn weeks since, and have gained 25 or 30 pounds, and lest about as well as I over did. HENRY J. GOFF

The above medicine is for sale in every Drug Store in the city, and most of the towns in the State. G. W. HEN DERISHOTT, General Agent, for wholesaleing the med

DR FRASK'S MAGNETIC GINTMENT. MR. WINTERS and lost nearly all of his hair and had been hald for many years; by the use of three lescould wish. His age is about 50 years.

A son of Vir. Warren, of the town, 14 years of age, had been afflicted with the Asthma from his craille. He had the benefit of the best medical advice that a loving and most to a skeleton. By the use of a lew bottles of the Ointment he was the contrary cored, and for seven months past has enjoyed robust health.

emoved robust health.

This was an extreme case of infimumation of the often, of long standing has a variety of treatment from no less than sight different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment. This was four months ago and the lady (a Mrs. Dunham), is still in good health, and able to attend to ber usual notisehold duties. There treated two cases of Chronic Section with the Ointment, both of the patients so early blood, as to need an attendant to lead them from place to there of the patients are the other cases. blead, as to need an attendant to lead them from place to place. One of them had been allifored 18 years, the other about 9 years. They had tried the best physicians in the State, without benefit; and one of them had been under the treatment of the celebrated 19:. Minary, of Cincinnat, for eighteen menths and had expended handreds of dellars in vain efforts to effect a cure. They are now by use of the Magnetic Unitment, nearly or quite cured; and are able to read and attend to any ordinary business. I have used the Ontinent in a number of cases of Plex, and in an case leaving folial of giving inconsists relief and generally a personneut cure. I have also used it beneficially in severe cases of Erysineless. And lost but not least, I have within the last year sipelas. And less but not least, I have within the last year curved four cases of CANCER by the use of the Megadic

Ointment alone! From a thorough trial of the Cintment to nearly every disease for which it is recommended, I can confidently re-commend it to be one of the most useful remedies ever of-fered to the public.

Respectfully Yours,
BURTON HUBBELL, M. D.

Dated Jan 27, 1850, Amelia, Ohio,
The character of this Ointment, as an efficient remedy, is
established in this city. There are quite a number of individuals who ascribe their restoration to health to the use of this extraordinary Cintment. H. G. SCOVEL,

J. H. Burrow's Patent Plantation

This Milldiffers from all others in the constraintion of the upper or Rinning Stone, which is composed on French Burr Blocks, enclosed in a crast from Case, which forms the back and hoop of the Stone with a Cast Iron Eve, or Rush at the top, which is secured to the buck by four bolts, so that every block is in the form of a dave tail, which gives greater strangth to a Stone than any other method which is required in small mills, where the stone is fun with great speed, and becomes dangerous if not strongly made. It also gives any weight to a stone of small diameter that is required without having it thick or high, that makes it top heavy.

This mill is a square frame made of wood or east from, in the form of a busk, with Bridge tree. Spindle Bulance, fling Briver, and Regulating Screw, and grinds up on the same principle as a large mill, differing only in the Runner Stone; this being of great weight enables it to grind marker the center quantity of grain with lea nower than any other for a greater quantity of grain with he a power than any other mill now in use. This mill is portable, and may be attached to steam, water, horse or hand power. ALSO, all sizes of Erench Burr Mill Stores, manufactured on the same principle.

Joseph H. Burrows, of Cincinnati, is the inventor, for which he obtained Letters Patent in 1887. For alliafringements the purchaser will be held responsible for the right

fusing.
These Mills do not require a Milfright to set them up; and

THE GRAFENBERG COMPANY-Takes this TENNESSEE STATE MEDICAL SOCIETY in their resolution of May 5th. "That they shall urge upon the Logislature the passage of a Law, requiring the recipes for all these medicines to be fulled," by which the members of the said society may be enabled to have all the use and benefit of them gratuitously.

The G. Co. take the liberty of suggesting to the Bakers of

Nashville, to petition the Legislature, not to permit any families in the city to make their own bread, without making known the makes operand, as such searer proceedings are injurious to the well-doing of Bakers, and ought not to be permitted. The grounds are precisely the same.

If Doctors were always intallible, there ought be some justice in legislative acts to compet the public to apply to them universally, but unfortunately we have before as the Crescent City paper of the 4d of September, from which we learn that 90 OUT OF EVERY 100 CASES OF YELLOW FEVER treated scientifically by the faculty have died, and 98 cases of every 100 treated by old course, the non-medical members of the How

and Association, and by more excessive luminum the Ho-margathic Dectors, have been cured.

Such statements as the above are injurious to the profes-Such statements as the above are injurious to the procession, for people are easily led estray, and may be induced to attach less value to Latin pre-criptions and expensive Hiroglyphics, and occasionally trust to the dogmas of examon sense, laid down in plain English, to the tirrefenberg Medicines, which are warranted to do no harm, and for which no money is exacted if they do not prove beneficial. It is well-known that the Dysentery Syrup and the Childrens' Panacea

of the Greeenberg Company, have, in two years past saved 20,000 lives, from Flux and Dysentery when all other rem-20,000 lives, from Flux and Dysentery when all other remedies had failed.

But it seems that the objection to these remedies is that "it is an attempt to send forth medicines without the presence of the Doctor"—who is thus deprived of the proper degree of aid and comfort that he should receive for furnishing the proscription, "Hac illan backeymore." The Doctor and the medicine should go together, the Medical Society have so willed it, let no quack put them as under.

Should I ever suffer from dyspersica again I shull be sure to call on you. I am very respectfully your frized.

ELIZABETH J. HARWOOD.

Hypervar, Als., August 24, 1851.

This is to certify, that I had suffered for many very with Dyspepsia and Diseases of the Liver. Physician after Physician and prescribed for me without my receiving any best of the favor. The thirty inch mill, if put to its fallest because of the same happy effect upon others of my acquaint because of the same happy effect upon others for a capacity and the prescribed for the will because of the same happy effect upon others for a capacity and the prescribed for the will be cause of the same happy effect upon others for a capacity and the prescribed for the same happy effect upon others for a capacity and the prescribed of the same happy effect upon others for a capacity and the prescribed for the will be cause of the same happy effect upon others of the same warranted to be in every respect as recommend it because of the same happy effect upon others of the same happy effect upon dulged in when by themselves, in solitude, growing up with the how to numbered, and which, if not abandoned in due time, not only begets serious obstacles to matrimotical bap-piness, but gives class to a series of protracted, insidious and devastating affections. Few of those who indules in this permicious practice are aware of the consequences, until they find the nervous system is shattered, feel strange and unac early opportunity of acknowledging the great compli-it paid to their Medicines by the countries of paid to their Medicines by the or, or to apply his mind-to study; his step is tardy and weak

or, or to apply his mind to study; his step is tardy and weak, he is dull and irresolute, the countenance is downcast, the eres without natural lustre, shamefacedness is apparent.—
These are supplied which should overfeathe attention of those similarite officies.

If the victim be conscious of the cause of his decay, and having relinquished the odious practice, he suffers under those terrible nocturnal smissions, which weaken and shame him, producing mental and physical prostration. If he emancipate himself before the practice has done its worst, and enter matrimsony, his marriage is unfinitful, and his senses tell him that this is caused by his early folius.

Too many think they will hug the servet to their own. Too many think they will bug the secret to their own hearts, and cure themselves. Also, how often is this a fatal delusion, and how many a promising youth, who might have been an ornament to society, has faded from the earth.

Young Men!—Lel no faise modesty deter you from making your case known to one who, from education and respectability, can alone befriend you. He who places himself under DR, KINKELINS treatment, may religiously confide his honor as a sentleman, and in whose bosom will be for ever locked the secret of the patient.

Country Invalids.—Finding it inconvenient to make

country invalues. I rading it becomes the to make personal application, can, by stating their case explicitly, to gether with all their symptoms, per letter post-pand, have forwarded to them a chest containing Dr. K.'s medicines, appropriated accordingly, and be cured at home.

Strictures of the usedm, weakness and constitutional debility, promptly cured, and full rigor restored. All letters

off peris.

A remittance of 25 cents in a letter, post paid, addressed to Dr. Kinkelin, Philadelphia, will seeme his book on the Secret Infirmities of Youth.

sept4—wiv RRE'S PATENT STRAW CUTTER AND INDEPEN-DENT CORN CHOPPER.

THIS very important invention has been in use about three years. The inventor has made improvements which have rendered it perfect as a STRAW AND CORN CUTTING MACHINE. It has given entire satisfaction to every one who has used it, and is the most superior machine in use, for the porpose for which it is designed. It is simple to all its parts, durable and easily kept in order. It is self-feeding, and easily worked by a boy 12 years of age.— It will gut straw or corn in the shock from half inch to three inclues in length. Many certificates might be pro-duced from Faraners who have used them, to prove their

ufacturing these machines, and he now solicits for them the attention of the public, and the farmers and planters particularly, of the South and West. He will hereafter be particularly, of the South and West. He will hereafter be able to till all orders rapidly, and ensures all machines to do the work for which they are designed.

Being the inventor and patentee, and sole proprietor, he will dispose of rights for counties or States on reasonable terms, to any Mechanic who may wish to manufacture them, and will furnish one set of easting for paterns.

JOHNSON, HORNE & CO., octo a Broadway CAUTION TO GINNERS OF COTTON.

THE undersgreed dealers in and manufacturers of Catton, bereby give notice to all persons offering Cotton to them for sale, that it must be packed in such a manner that the samples drawn from the edges of the bale will fairly represent the quality and condition of the whole hale, otherwise they will claim, from the seller or owner, as damages, the difference between the actual worth at the time the fact is ascertained, and the original cost, with all expenses incurred previous to detection, and the cost of returning the outton—should it be returned. And furthermore, that we will whenever a palpable case of fraud in packing cotton is detected, cause the same to be published in the papers of this city, with the names of the seller owner and ginner. The undersigned any compelled to this course by the frequent cases of fraid detected in autor and finding packing cotton—resulting frequently to heavy losses to the owner, and will if continued, lower the character of Nashville Cotton, and thereby injure these who pack cotton honestly.
